Venue Rental for Corporate/ Private Events

We the Second Partner will provide our space for any of your corporate/private events, from team lunches and dinners to birthday celebrations. We'd be happy to create beautiful memories for you.

For our rental fees to be waived, we'd require you to purchase food and drinks from our venue. If you'd like to only rent the space, we have that option too. Rental rates can be discussed when we're closer to the event date.
